JURISDICTION AND VENUE

- 1. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334. This is a core proceeding under 28 U.S.C. § 157(b). Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.
- 2. The statutory predicates for the relief requested herein are Bankruptcy Code sections 105(a) and 366.

BACKGROUND

3. On the date of this Motion (the "Petition Date"), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The factual background regarding the Debtors, including their business operations, their capital and debt structure, and the events leading to the filing of these

bankruptcy cases, is set forth in detail in the Besanko Declaration, filed concurrently herewith and fully incorporated herein by reference.²

- 4. The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to Bankruptcy Code sections 1107(a) and 1108.
- 5. No trustee or examiner has been appointed in these chapter 11 cases, and no committees have yet been appointed or designated.

RELIEF REQUESTED

entry of an order (i) approving the Debtors' segregation of blocked funds to be held by Bank of America, N.A, ("Bank of America") in the amount of \$5,000,000 in a segregated account to be administered in accordance with the Order (the "Utility Blocked Account") as providing utilities with "adequate assurance of payment" under Bankruptcy Code sections 366(b) and 366(c)(1)(A) and deeming all utilities entitled to such assurance of

payment under Bankruptcy Code section 366 (the "Utility Companies") to have received adequate assurance of payment pursuant to section 366(b), (ii) approving the Additional Adequate Assurance Procedures set forth below as the method for resolving disputes regarding adequate assurance of payment, (iii) scheduling a hearing, to be held on or before the day that is thirty (30) days after the Petition Date, on any Additional Adequate Assurance Requests that are disputed by the Debtors, (iv) authorizing, but not directing, the Debtors to pay prepetition amounts owed to a certain Third Party Vendor in an amount not to exceed \$10,000, and (v) authorizing the Debtors to maintain their pre-petition relationships and practices with the Third Party Vendor.

BASIS FOR RELIEF

A. Utility Services and Third Party Vendor.

7. In connection with the operation of their businesses and the management of their properties, the Debtors receive utility service from various Utility Companies, including providers of water, gas, electricity, telephone, and sewer service,

(collectively, the "Utility Services") covering a number of utility accounts.

- 8. Prior to the Petition Date, the Utility Companies provided Utility Services to the Debtors at various locations. The services provided by the Utility Companies are crucial to the continued operations of the Debtors.
- 9. By this Motion, the Debtors preserve the protections that Utility Companies have under the Bankruptcy Code, while affording the Debtors an opportunity to provide and negotiate adequate protection without facing the threat of imminent termination of Utility Services. In particular, the Debtors request approval of certain procedures that balance the protections afforded the Utility Companies under Bankruptcy Code section 366 and the Debtors' need for continuous and uninterrupted Utility Services.
- 10. In connection with their Utility
 Services, the Debtors have entered into contractual
 agreements with International Business Machines, Inc.,
 Tangoe, Inc., and Avista Advantage, Inc., which vendors

oversee the provision, payment, and management of Utility Services at various store locations.³

- ("IBM") provides local, long distance, and cellular telephone services, as well as wide-area-network ("WAN") support, internet service, cable television, and other related services to the Debtors. IBM has contracted with Tangoe, Inc., ("Tangoe") to provide the local telephone, cellular telephone, cable television and internet related services. Tangoe transmits a detailed file of charges to the Debtors on a weekly basis. After reviewing the charges, Debtors wire funds to Tangoe, also on a weekly basis, and Tangoe pays the local utility service providers accordingly. IBM does not charge the Debtors a fee for using Tangoe.
- 12. IBM has contracted with AT&T, among others, to provide the Debtors with circuit service for the Debtors' WAN, as well as long distance telephone services. The Debtors do not pay AT&T directly for the services it provides. Instead, IBM charges the Debtors

³ Nothing in this Motion should be construed as an assumption or adoption of any agreement or contract between the Debtors and a Third Party Vendor or Utility Company under 11 U.S.C. § 365.

a monthly base line amount. The monthly base line amount is generally not an accurate reflection of the total charges incurred by the Debtors for the services provided. Because of the discrepancy, the Debtors' IBM account is debited or credited, as appropriate, over the next subsequent two month period, in order to incorporate the actual charges.

"Third Party Vendor"), provides consolidated billing and payment services to the Debtors. Utility Companies that provide electricity, natural gas, water, and sewer services to certain properties owned or leased by the Debtors send their invoices directly to Advantage, as opposed to the Debtors. Advantage then combines the invoices into a single consolidated bill amount, which is forwarded to the Debtors for payment. Once the Debtors' payment is received, Advantage transmits payment to the appropriate Utility Companies. Advantage is paid a monthly fee of \$4.25 per account it administers on the Debtors' behalf. At present, Advantage administers approximately 2,900 accounts.

Advantage is also paid a monthly fee of \$4,500 for supply management services.

seeking entry of an order authorizing, but not directing, the Debtors to maintain their pre-petition practices with respect to Advantage (the "Third Party Vendor"). In addition, the Debtors are seeking entry of an order authorizing, but not directing, them to pay the Third Party Vendor for any pre-petition services performed on behalf of the Debtors (the "Third Party Vendor's Claims") in an amount not to exceed \$10,000.

B. The Proposed Adequate Assurance.

- 15. The Debtors fully intend to pay all postpetition obligations owed to the Utility Companies in a timely manner. Moreover, the Debtors expect that borrowings under their proposed postpetition credit facility will be sufficient to pay such postpetition utility obligations.
- 16. Additionally, even though the Debtors maintain that the borrowings available under their proposed postpetition credit facility are sufficient adequate assurance of payment, the Debtors propose to

establish the Utility Blocked Account, in accordance with the terms and conditions of the Debtors' proposed postpetition credit facility and the Order, in the amount of \$5,000,000 which amount is equal to the charges incurred by all of the Debtors for approximately two weeks of Utility Service from all of the Utility Companies.

- establish the Utility Blocked Account by permitting Bank of America to block their available borrowing in an amount equal to \$5,000,000 and segregate them in a separate account to be administered in accordance with the Order. The Utility Blocked Account would serve as a cash security deposit to provide adequate assurance of payment for Utility Services provided to the Debtors after the Petition Date.
- on by a Utility Company in a manner that is substantially similar to a letter of credit. In the event the Debtors fail to timely pay for postpetition Utility Services, the Utility Company would be permitted to submit a payment request (the "Payment Request"),

substantially in the form attached to the proposed order as Exhibit B, to Bank of America in the amount of the unpaid charges for the postpetition services rounded up to the nearest \$100. The Payment Request requires only that the Utility Company: (i) certify that the Debtors defaulted in the payment of postpetition Utilities

Services and amounts on account of such Utility Services are due, outstanding, and unpaid; (ii) certify that the amount requested is not and does not relate to an additional adequate assurance of payment request, and (iii) provide Bank of America with wire transfer or other payment instructions, all as more fully set forth in Exhibit B.

19. Any payments made from the Utility
Blocked Account shall be made by Bank of America in the
order that the Payment Requests were actually received
by Bank of America. Following payment of any Payment
Request from the Utility Blocked Account, Bank of
America shall take steps to replenish the Utility
Blocked Account to ensure that the reserve of \$5,000,000
is maintained.

20. In that regard, Bank of America shall have no obligation to investigate the bona fides of the Payment Request, and as set forth in the proposed order attached hereto, the Debtors will assume all risks with respect to the acts and omissions of, or misuse of the Utility Blocked Account by the respective Utility Companies that are the beneficiaries of such Utility Blocked Account. Moreover, the Debtors' only recourse in the event of an improper Payment Request is against the party making such Payment Request and not against Bank of America.

C. The Additional Adequate Assurance Request Procedures.⁴

21. The Debtors submit that the Utility
Blocked Account, in conjunction with the Debtors'
ability to pay for future utility services in the
ordinary course of business (collectively, the "Proposed
Adequate Assurance"), constitutes sufficient "adequate
assurance of payment." Nonetheless, the Debtors

⁴ This section of the Motion is intended as a summary of the procedures set forth in the Order and is qualified in its entirety by the Order. In the event there is a discrepancy between the procedures in the Motion and those in the Order, the Order shall control in all respects. Parties are strongly encouraged to refer the Order.

anticipate that certain Utility Companies may not find the Utility Blocked Account "satisfactory" and, thus, may request additional adequate assurance of payment pursuant to Bankruptcy Code section 366(c)(2).

Accordingly, the Debtors propose that such requests be addressed as follows:

- (a) Except as provided by the Additional Adequate Assurance Procedures, the Utility Companies are forbidden to discontinue, alter or refuse service on account of any unpaid prepetition charges, or require additional adequate assurance of payment other than the Utility Blocked Account.
- (b) The Debtors will serve this Motion and a copy of the Order on the Utility Companies within two (2) business days after entry of the Order granting the relief requested herein.
- (c) In the event that a Utility Company maintains that the Utility Blocked Account is not satisfactory adequate assurance of payment as contemplated by Bankruptcy Code section 366(c)(2), the Utility Company must serve a request (an "Additional Adequate Assurance Request") for adequate assurance in addition to or in lieu of its rights in the Utility Blocked Account so that it is received by the Debtors and their counsel no later than five (5) business days prior to the Determination Hearing (as defined below)(the "Additional Adequate Assurance Request Deadline").

- (d) Any Additional Adequate Assurance Request must: (i) be made in writing, (ii) set forth the location for which utility services are provided, (iii) set forth what the Utility Company would accept as satisfactory adequate assurance of payment, and (iv) set forth a fax and electronic mail address to which the Debtors may respond to the Additional Adequate Assurance Request.
- (e) Upon the Debtors' receipt of an Additional Adequate Assurance Request, the Debtors will either (a) advise the Utility Company in writing on or before a day that is no less than three (3) business days prior to the Determination Hearing (as defined below) that the Additional Adequate Assurance Request is acceptable, (b) consensually resolve the Additional Adequate Assurance Request with the Utility Company prior to the hearing, or (c)contest the Utility Company's request pursuant to Bankruptcy Code section 366(c)(3) at a hearing (the "Determination Hearing") to be held on before the day that is thirty (30) days after the Petition Date, or such other date as the Debtors and the Utility Company may agree.
- (f) If Debtors agree that the Additional Adequate Assurance Request is acceptable, or Debtors and the Utility Company consensually resolve the Additional Adequate Assurance Request before the hearing, the Debtors may remove the Utility Company from Exhibit A and the amount in the Utility Blocked Account shall be reduced by the amount corresponding to the two week average ascribed by the Debtors to the services

- such entity provided to the Debtors prior to the Petition Date.
- (g) The Determination Hearing will be an evidentiary hearing at which the Court will determine whether the Utility Blocked Account and the additional adequate assurance of payment requested by the Utility Company should be modified pursuant to Bankruptcy Code section 366(c)(3)(A).
- Utility Company that does not serve an Additional Adequate Assurance Request by the Additional Adequate Assurance Request Deadline shall be deemed to have received adequate assurance of payment that is satisfactory to such Utility Company within the meaning of Bankruptcy Code section 366(c)(2), and shall further be deemed to have waived any right to seek additional adequate assurance during the course of the Debtors' chapter 11 cases, except as provided in Bankruptcy Code sections 366(b)(2) or 366(c)(3), as applicable.⁵
- 23. To the extent that the Debtors subsequently identify additional providers of Utility

⁵ Debtors reserve their right to challenge any 503(b)(9) claim filed by a Utility Company on any basis, including, without limitation, that such Utility Company received benefits on account of inclusion as a Utility Company on Exhibit A.

Services or determine that an entity was improperly included as a Utility Company, the Debtors seek authority, in their sole discretion and without further order of Court, to amend Exhibit A attached to the proposed order to add or delete any Utility Company. The Debtors propose to have the terms of the proposed order attached hereto apply to any such subsequently identified Utility Company. Moreover, for those Utility Companies that are subsequently added to Exhibit A, the Debtors will serve a copy of this Motion and the Order entered with respect to the Motion on such Utility Company, along with an amended Exhibit A. subsequently added entities would then have twenty (20) days from service of this Order to make an Additional Adequate Assurance Request. For any entity that is removed from Exhibit A, the Debtors shall provide notice of such entity's removal and such entity will have an opportunity to object.

24. In the event that any Utility Company, including a subsequently added Utility Company, files and/or serves an Additional Adequate Assurance Request after the Additional Adequate Assurance Request

Deadline, such request shall be treated as a request under Bankruptcy Code section 366(b) and shall be granted, if at all, only after the Utility Company making such request schedules such request for hearing, on notice, in accordance with the provisions of the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure, including Bankruptcy Code section 366(b).

- 25. All Utility Companies, including subsequently added Utility Companies, shall be prohibited from altering, refusing, or discontinuing Utility Services to the Debtors absent further order of this Court, in accordance with Bankruptcy Code section 366(a). See 11 U.S.C. § 366(a).
- 26. To the extent any entity that is not listed on Exhibit A believes it provides the Debtors with Utility Services within the meaning of Bankruptcy Code section 366, that entity must make a written request to be added to Exhibit A within 20 days of the date of the Court's order granting the relief requested herein. Failure to make a written request within the 20 day time period bars such entity from terminating the services it provides to the Debtors under to section 366

of the Bankruptcy Code, absent further order of the Court.

27. The Debtors maintain that the relief requested herein strikes a fair balance between the rights of Utility Companies and the rights of the Debtors under the Bankruptcy Code and the need, for the benefit of the Debtors and their estates, for the Debtors to continue to receive the Utility Services upon which their businesses depend. The Debtors do not believe that the Utility Companies will be prejudiced by the establishment of the Utility Blocked Account, the uninterrupted continuation of the Utility Services, and the approval of the Additional Adequate Assurance Procedures. Moreover, as set forth in the Besanko Declaration, the Debtors anticipate a relatively short timetable for these chapter 11 cases.

APPLICABLE AUTHORITY

I. UTILITY COMPANIES.

28. While the term "utility" is not defined in the Bankruptcy Code, courts have concluded that section 366 is not limited to public utilities, and that "utility" is meant to be interpreted broadly so as to

include entities that occupy "some special position with respect to the debtor, such as an electric company, gas supplier or telephone company that is a monopoly in the area so that the debtor cannot easily obtain comparable service from another utility." H.R.Rep. 595, 95th Cong., 1st Sess. 350 (1977); S.Rep. No. 989, 95th Cong., 2nd Sess. 60 (1978). See also In re One Stop Realtour Place, Inc., 268 B.R. 430, 436-38 (Bank. E.D. Pa. 2001); In re Moorefield, 218 B.R. 795, 797 (Bankr. M.D.N.C. 1997); In re Good Time Charlie's Ltd., 25 B.R. 226 (Bankr. E.D. Pa. 1982).

have determined that providers of water, gas, electricity, telephone, and sewer service are utilities within the meaning of Bankruptcy Code section 366, and therefore, are listed as such on Exhibit A attached to the proposed order. Moreover, the Debtors have determined that providers of Internet, cable, and waste management services are not properly characterized as "utilities", and are not listed on Exhibit A.

Consequently, providers of Internet, cable, and waste management services have no right to request payment from the Utility Blocked Account Account.

II. UTILITY BLOCKED ACCOUNT

- A. The Utility Blocked Account Provides Utilities With Adequate Assurance Of Payment.
 - 30. Bankruptcy Code section 366(a) provides:

Except as provided in subsections (b) and (c) of this section, a utility may not alter, refuse, or discontinue service to, or discriminate against, the trustee or the debtor solely on the basis of the commencement of a case under this title or that a debt owed by the debtor to such utility for service rendered before the order for relief was not paid when due.

11 U.S.C. § 366(a). Bankruptcy Code Section 366(b) goes on to provide, however, that:

Such utility may alter, refuse, or discontinue service if neither the trustee nor the debtor, within 20 days after the date of the order for relief, furnishes adequate assurance of payment, in the form of a deposit or other security, for service after such date.

Id. at § 366(b).

31. The policy underlying Bankruptcy Code section 366 is to protect debtors from utility service cutoffs upon the filing of a bankruptcy case, while at the same time providing utility companies with adequate assurance that the debtor will pay for postpetition

services. See H.R. Rep. No. 95-595, at 350 (1978),

reprinted in 1978 U.S.C.C.A.N. 5963, 6306. As set forth

herein, this policy is furthered by the relief requested

through the Motion.

- 32. Specifically, under Bankruptcy Code section 366(b), a debtor must furnish what it considers to be adequate assurance of payment within twenty (20) days after the entry of the order for relief in the form of a deposit or other security for postpetition service. Here, the Debtors will provide the Utility Companies with the Utility Blocked Account, which the Debtors believe provides all Utility Companies with adequate assurance of payment. See 11 U.S. C. § 361(c)(1)(A) (defining "assurance of payment" to include a cash deposit, a letter of credit, or "another form of security that is mutually agreed on between the utility and the debtor").
- 33. The Debtors maintain that the Utility
 Blocked Account is the equivalent of a cash deposit or
 letter of credit. Accordingly, the establishment of the
 Utility Blocked Account constitutes adequate assurance

of payment in accordance with the requirements of Bankruptcy Code section 366(b).

- B. The Additional Adequate Assurance Procedures
 Properly Balance The Interests Of the Utility
 Companies And Those Of The Debtors And Their
 Estates.
- As part of the Bankruptcy Abuse and Consumer Protection Act of 2005, Congress enacted Bankruptcy Code section 366(c). Pursuant to Bankruptcy Code section 366(c)(2), a utility is permitted to alter, refuse, or discontinue utility service, if the utility does not receive "during the 30-day period beginning on the date of the filing of the petition . . . adequate assurance of payment for utility service that is satisfactory to the utility." 11 U.S.C. § 366(c)(2) (emphasis added). Conceivably, under Bankruptcy Code section 366(c)(2), the Debtors could receive a demand from a Utility Company at the end of such thirty day period and be compelled to accede to the demand immediately or face termination of critical Utility Therefore, as set forth below, in order to Services. avoid such a drastic result, the Debtors have sought to require Utility Companies to provide notice of their

demands for assurance on or before the date that is five (5) business days before the Determination Hearing, with a final hearing on disputed requests prior to expiration of the thirty (30) day period in which the Debtors must provide adequate assurance of payment or force termination of utility services.

35. Specifically, under the Additional Adequate Assurance Procedures, a Utility Company may make an additional Adequate Assurance Request on or before the Additional Adequate Assurance Request Deadline. In the event that such a request is made, the Debtors will advise the Utility Company on or before the day that is no less than three (3) business days prior to the Determination Hearing that the Additional Adequate Assurance Request is acceptable or that the Debtors intend to contest such Additional Adequate Assurance Request under Bankruptcy Code section 366(c)(3) at the Determination Hearing. Under these procedures, the Debtors will have the opportunity to seek an order from the Court modifying any Additional Adequate Assurance Request without having to first satisfy the demands of the Utility Company and without

facing the prospect of termination of Utility Services prior to a hearing on the Additional Adequate Assurance Request.

- Assurance Procedures, the Debtors seek to implement an orderly process to determine the amount of assurance of payment that is adequate. Without the Additional Adequate Assurance Procedures, the Debtors could be forced to address numerous requests by Utility Companies in an unorganized manner at a critical period in their efforts to reorganize. The orderly process contemplated by the Additional Adequate Assurance Procedures, therefore, is necessary for a smooth transition by the Debtors into chapter 11.
- 37. Moreover, the Additional Adequate
 Assurance Procedures will ensure that all parties act in good faith by establishing a fair process. This will protect the Debtors and their stakeholders from an attempt by a Utility Company to delay a request until the last minute in an attempt to force the Debtors to agree to its request or face cessation of essential services.

- 38. Nor does the relief herein undermine the rights of the Utility Companies under the Bankruptcy Code. First, the Utility Blocked Account is one of the acceptable forms of adequate protection set forth in Bankruptcy Code sections 366(b) and (c)(1).

 Accordingly, the Debtors are not seeking to bypass the limits on forms of security imposed by the Bankruptcy Code.
- 39. Second, if this Court determines that the Proposed Adequate Assurance constitutes sufficient adequate assurance under Bankruptcy Code section 366(b), the Utility Companies may still request modification of such adequate assurance upon notice and a hearing as permitted by this section of the Bankruptcy Code.
- 40. Third, the Utility Companies may also exercise their rights under Bankruptcy Code section 366(c)(2), in accordance with the Additional Adequate Assurance Request Procedures.
- 41. Fourth, even after the Additional Adequate Assurance Deadline, the Utility Companies will only be deemed to have received adequate assurance under Bankruptcy Code section 366(c)(2). Thus, this

determination is subject to further review pursuant to the right of the Utility Companies, or any party in interest, after notice and a hearing, to seek a modification of the Proposed Adequate Assurance in accordance with Bankruptcy Code sections 366(b) and 366(c)(3), as applicable.

42. Similar relief to the relief requested herein has been granted by this Court and other courts subsequent to the 2005 amendments. See, e.g., In re

Movie Gallery, Inc., et al., Case No. 07-33849 (Bankr.

E.D. Va. Nov. 17, 2007); In re Storehouse, Inc., Case

No. 06-11144 (Bankr. E.D. Va. Oct. 23, 2006); In re Rowe

Furniture, Inc., Case No. 06-11143 (Bankr. E.D. Va. Oct. 23, 2006); In re The Rowe Cos., Case No. 06-11142

(Bankr. E.D. Va. Oct. 23, 2006).

III. THIRD PARTY VENDOR CLAIMS.

- A. Payment Of Third Party Vendor's Claims Is
 Appropriate Under Bankruptcy Code Section 363.
- 43. Under Bankruptcy Code section 363, a bankruptcy court is empowered to authorize a chapter 11 debtor to expend funds in the bankruptcy court's discretion outside the ordinary course of business. See 11 U.S.C. § 363. In order to obtain approval for the use

of estate assets outside the ordinary course of business, the debtor must articulate a valid business justification for the requested use. See In re Ionosphere Clubs, Inc., 98 B.R. 174, 176 (Bankr. S.D.N.Y. 1985). The preservation and protection of a debtor's business through preservation of the services provided by the Third Party Vendor (and thereby continued uninterrupted Utility Services) provide a sufficient business justification for payment of the Third Party Vendor's Claims, even if such payment were deemed to be outside the ordinary course of business. See id. at 175.

- 44. Accordingly, the Debtors should be authorized to pay the Third Party Vendor's Claims.
 - B. Payment Of Third Party Vendor's Claims Should Be Authorized Under Bankruptcy Code Section 105 And The Doctrine Of Necessity.
- 45. The Debtors' proposed payment of the Third Party Vendor's Claims should be authorized pursuant to Bankruptcy Code section 105 and under the "doctrine of necessity."
- 46. Bankruptcy Code section 105 authorizes this Court "to issue any order . . . necessary or appropriate to carry out the provisions" of the Bankruptcy Code. 11 U.S.C. § 105. For the reasons set forth herein, and in light of the critical need for the Debtors to preserve the going concern value of their

businesses in order to effect a successful reorganization through, among other things, continuing the orderly day-to-day operation of the Debtors' electronic retail business, payment of the Third Party Vendor's Claims as requested herein is proper in accordance with Bankruptcy Code section 105.

- 47. Payment of the Third Party Vendor's Claims is further supported by the doctrine of necessity. doctrine of necessity is a well-settled doctrine that permits a bankruptcy court to authorize payment of certain prepetition claims prior to the completion of the chapter 11 case where the payment of such claims is necessary to the restructuring efforts. See In re NVR L.P., 147 B.R. 126, 127 (Bankr. E.D. Va. 1992) ("[T]he court can permit pre-plan payment of a pre-petition obligation when essential to the continued operation of the debtor[,] " and must show a "substantial necessity."); see also In re Just for Feet, Inc., 242 B.R. 821, 826 (D. Del. 1999) (stating that where the debtor "cannot survive" absent payment of certain prepetition claims, the doctrine of necessity should be invoked to permit payment).
- 48. The doctrine of necessity is a widely accepted component of modern bankruptcy jurisprudence.

 See In re NVR L.P., 147 B.R. at 127 ("[T]he 'necessity of

payment' rule is a narrow exception well-established in bankruptcy common law."); see also Just For Feet, 242

B.R. at 826 (approving payment of key inventory suppliers' prepetition claims when such suppliers could destroy debtor's business by refusing to deliver new inventory on eve of debtor's key sales season).

- 49. For the reasons discussed herein, payment of the Third Party Vendor's Claims is essential to the Debtors' effective reorganization. In particular, without payment of the Third Party Vendor's Claims, the Debtors' businesses and operations will be detrimentally impacted because the Debtors will not be able to obtain the crucial services provided by the Third Party Vendor, which facilitate the provision of Utility Services. In the absence of these services, the Debtors will be forced to incur exorbitant costs in order to find alternative providers of the Third Party Vendor's services. Hence, this Court should exercise its equitable powers to grant the relief requested in this Motion.
 - C. Payment Of The Third Party Vendor's Claims Is Necessary To Avoid Immediate And Irreparable Harm Under Bankruptcy Rule 6003.
 - 50. Similarly, Bankruptcy Rule 6003 provides: Except to the extent that relief is necessary to avoid immediate and irreparable harm, the court shall not, within 20 days after the filing of the petition, grant relief regarding

the following: . . . (b) a motion to use, sell, lease, or otherwise incur an obligation regarding property of the estate, including a motion to pay all or part of a claim that arose before the filing of the petition, but not a motion under Rule 4001.

Fed. R. Bankr. P. 6003.

51. No court within the Fourth Circuit has interpreted the "immediate and irreparable harm" language in the context of Bankruptcy Rule 6003 in any reported decision. However, the Fourth Circuit Court of Appeals has interpreted the same language in the context of preliminary injunctions. In that context, irreparable harm has been interpreted as a continuing harm that cannot be adequately redressed by final relief on the merits and for which money damages cannot provide adequate compensation. See, e.g., Hughes Network Systems, Inc. v. Interdigital Communications Corp., 17 F.3d 691, 694 (4th Cir. 1994). Further, the harm must be shown to be actual and imminent, not speculative or unsubstantiated. See, e.g., Scotts Co. v. United Industries Corp., 315 F.3d 264, 283, (4th Cir. 2002)

Although there is not direct authority concerning Bankruptcy Rule 6003 in the Fourth Circuit, at least one bankruptcy court, applying Bankruptcy Rule 6003, concluded that first-day relief in a similar context was warranted because such relief was necessary to avoid irreparable harm. See In re First NLC Fin. Servs., LLC, 382 B.R. 547, 549-50 (Bankr. S.D. Fla. 2008) (holding that Rule 6003 permits entry of retention orders on an interim basis to avoid irreparable harm).

(citing Direx Israel, Ltd. v. Breakthrough Medical Corp., 952 F.2d 802, 812 (4th Cir. 1991)).

- 52. To the extent that the requirements of Bankruptcy Rule 6003 are applicable to the relief requested in the Motion, the Debtors submit that for the reasons already set forth herein, the relief requested in this Motion is necessary to avoid immediate and irreparable harm as defined by the Fourth Circuit Court of Appeals.
- 53. Accordingly, the Court should allow the payment of the Third Party Vendor's Claims as requested herein.

RESERVATION OF RIGHTS

identified by the Debtors to date are listed on Exhibit A attached to the proposed order. While the Debtors have used their best efforts to list all of their Utility Companies in Exhibit A, it is possible that certain Utility Companies may have been inadvertently omitted from this list. Accordingly, the Debtors reserve the right, under the terms and conditions of the proposed order and without further order of the Court, to amend Exhibit A to add any Utility Companies that were omitted therefrom and to request that the relief requested herein apply to all such entities as well. In addition, the

Debtors reserve the right to argue that any of the entities now or hereafter listed in Exhibit A are not "utilities" within the meaning of Bankruptcy Code section 366(a). Lastly, the Debtors reserve the right, without further order of the Court, to remove any Utility Company from Exhibit A (and reduce the amount in the Utility Blocked Account by the corresponding amount) if, for any reason, it is later determined that the company is not a Utility Company or was erroneously placed on the list in the first instance.

NOTICE

55. Notice of this Motion will be given to:

(i) the Office of the United States Trustee for the

Eastern District of Virginia; (ii) counsel to the agent
for Debtors' postpetition lenders; (iii) counsel to the

agent for the Debtors' prepetition lenders; and (iv) the

Debtors' top fifty (50) largest unsecured creditors on a

consolidated basis. The Debtors submit that, under the

circumstances, no other or further notice of the Motion
is required.

WAIVER OF MEMORANDUM OF LAW

56. Pursuant to Local Bankruptcy Rule 9013-1(G), and because there are no novel issues of law

presented in the Motion and all applicable authority is set forth in the Motion, the Debtors request that the requirement that all motions be accompanied by a separate memorandum of law be waived.

NO PRIOR REQUEST

57. No previous request for the relief sought herein has been made to this or any other Court.

CONCLUSION

WHEREFORE, the Debtors respectfully request that the Court enter an order, substantially in the form annexed hereto, granting the relief requested in the Motion and such other and further relief as may be just and proper.

and 366 (i) approving adequate assurance of postpetition payment of the Utility Companies, set forth on Exhibit A attached hereto, through the Debtors' establishment of the Utility Blocked Account, (ii) establishing the Additional Adequate Assurance Procedures for resolving any Additional Adequate Assurance Requests under Bankruptcy Code section 366(c), (iii) scheduling a hearing with respect to any Additional Adequate Assurance Requests that are received on or before the Additional Adequate Assurance Deadline, (iv) authorizing the Debtors to pay pre-petition amounts owed to a certain Third Party Vendor, and (v) authorizing the Debtors to maintain their pre-petition relationships and practices with the Third Party Vendor; and the Court having reviewed the Motion and the Besanko Declaration; and the Court having determined that the relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors, and other parties in interest; and it appearing that proper and adequate notice of the Motion has been given and that no other or further notice is necessary; and upon the record herein; and after due deliberation thereon; and

good and sufficient cause appearing therefor, it is hereby

ORDERED, ADJUDGED, AND DECREED that:

- 1. The Motion is GRANTED.
- A. The Utility Blocked Account, The Payment Request, and Proof of Payment Certification.
- 2. The Debtors shall have reserved as part of their loan agreement with Bank of America, \$5,000,000, which shall be placed in a segregated account to be administered in accordance with this Order (the "Utility Blocked Account"), as adequate assurance of payment, under Bankruptcy Code section 366(b), of charges incurred by the Debtors for Utility Services provided by the Utility Companies after the Petition Date, subject to the Debtors' rights decrease the funds reserved in the Utility Blocked Account in accordance with this Order or to otherwise seek authority from the Court to decrease the funds reserved in the Utility Blocked Account. So long as the Utility Blocked Account is funded in an amount not less than \$5,000,000, the Debtors shall be deemed to have furnished all Utility Companies, including Utility Companies subsequently

added to Exhibit A, with adequate assurance of payment under section 366(b) of the Bankruptcy Code. In the event that the Debtors are unable to fund the Utility Blocked Account in the amount of \$5,000,000, the Debtors shall provide notice to the United States Trustee.

- 3. In the event the Debtors fail to timely pay for postpetition Utility Services, the Utility
 Company to which any such payment is owed shall be entitled to submit a Payment Request, in the form attached hereto as Exhibit B (which is hereby approved in its entirety), to the Debtors and Bank of America in the amount of the unpaid charges rounded up to the nearest \$100 owed to such Utility Company for such postpetition Utility Services.
- 4. Notice of any Payment Request shall be sent to the Debtors: Beverly Milenbachs, Director of Procurement, Circuit City Stores, Inc., 9950 Mayland Drive, Richmond, VA 23222, Fax: (804) 967-8815, with copies by facsimile and electronic mail to (i) cocounsel for the Debtors: Ian S. Fredericks, Esq., Skadden, Arps, Slate, Meagher & Flom, LLP, Fax: (888) 329-9475, Email: Ian.Fredericks@skadden.com; and Sarah

- B. Boehm, Esq. McGuireWoods LLP, Fax: (804) 698-2255,
 Email: sboehm@mcguirewoods.com; and (ii) counsel for
 Bank of America: David S. Berman, Riemer & Braunstein
 LLP, Fax: (617) 692-3550, Email: dberman@riemerlaw.com,
 all as indicated in the form of Payment Request attached
 hereto. Through the Payment Request, such Utility
 Company shall be permitted to only seek payment for
 unpaid postpetition utility charges, and not payment for
 any additional adequate assurance of payment requests.
- 5. In the Payment Request, the Utility
 Company shall (i) certify that the Debtors defaulted in
 the payment of postpetition Utilities Services and
 amounts on account of such Utility Services are due,
 outstanding, and unpaid, (ii) certify that the amount
 requested is not and does not relate to an additional
 adequate assurance request, and (iii) provide Bank of
 America with wire transfer or other payment
 instructions.
- 6. Any payments made from the Utility
 Blocked Account shall be made by Bank of America in the
 order that the Payment Requests were actually received
 by Bank of America.

- 7. Bank of America shall have no obligation to investigate the bona fides of any request to decrease the Utility Blocked Account. The Debtors assume all risks with respect to the acts and omissions of, or misuse of the Utility Blocked Account by the respective Utility Companies that are the beneficiaries of such Utility Blocked Account. In furtherance and not in limitation of the foregoing, Bank of America shall not be responsible for: (i) the misapplication by any Utility Company of the proceeds of any payment from funds reserved pursuant to such Utility Blocked Account; or (ii) any consequences arising from Bank of America's actions, other than actions resulting from Bank of America's gross negligence or willful misconduct. Debtors' only recourse in the event of an improper Payment Request is against the party making such Payment Request and not against Bank of America.
- 8. Any payments to the Utility Companies shall be without prejudice to any and all rights, claims and/or defenses of the Debtors with respect to such Payment Request, including but not limited to the Debtors' right to contest such Payment Request in this

Court, or any court with jurisdiction. Any payments made with funds reserved in the Utility Blocked Account shall be made in the order that the Payment Requests were actually received by the Debtors. Following an advance from the Utility Blocked Account, Bank of America shall take steps to ensure that the reserve of \$5,000,000 is maintained, provided that the Debtors have sufficient availability under the postpetition credit facility to make such replenishment. In the event that the Debtors' lack sufficient availability, Bank of America shall have no obligation to replenish such Utility Blocked Account. Bank of America will transfer any remaining funds held in the Utility Blocked Account in accordance with the Debtors' instructions upon a commitment termination date.

B. The Additional Adequate Assurance Procedures.

- 9. The Additional Adequate Assurance Procedures are hereby approved as follows:
 - (a) Except as provided by the Additional Adequate Assurance Procedures, the Utility Companies are forbidden to discontinue, alter or refuse service on account of any unpaid prepetition charges, or require additional adequate

- assurance of payment other than the Utility Blocked Account.
- (b) The Debtors will serve the Motion and a copy of this Order on the Utility Companies within two (2) business days after entry of the Order granting the relief requested herein.
- In the event that a Utility Company (C) maintains that the Utility Blocked Account is not satisfactory adequate assurance of payment as contemplated by Bankruptcy Code section 366(c)(2), the Utility Company must serve an Additional Adequate Assurance Request for adequate assurance in addition to or in lieu of its rights with respect to funds held in the Utility Blocked Account so that it is received by the Debtors and their counsel no later than five (5) business days prior to the Determination Hearing at the following addresses: Circuit City Stores, Inc., 9950 Mayland Drive, Richmond, Virginia 23233, Attn: Reggie Hedgebeth, Circuit City Stores, Inc., 9950 Mayland Drive, Richmond, Virginia 23233, Attn: Daniel Ramsey, and Skadden, Arps, Slate, Meagher & Flom LLP, One Rodney Square, P.O. Box 636, Wilmington, Delaware 19899-0636, Attn: Ian S. Fredericks, Esq.
- (d) Any Additional Adequate Assurance Request must: (i) be made in writing, (ii) set forth the location for which utility services are provided, (iii) set forth what the Utility Company would accept as satisfactory adequate assurance of payment, and (iv) set forth a fax and electronic mail address to which the Debtors may respond to the Additional Adequate Assurance Request.

- (e) Upon the Debtors' receipt of an Additional Adequate Assurance Request, the Debtors will either (a) advise the Utility Company in writing on or before a day that is no less than three (3) business days prior to the Determination Hearing that the Additional Adequate Assurance Request is acceptable, (b) consensually resolve the Additional Adequate Assurance Request with the Utility Company prior to the hearing, or (c) contest the Utility Company's request pursuant to Bankruptcy Code section 366(c)(3) at a the Determination Hearing to be held on _____, 2008, or such other date as the Debtors and the Utility Company may agree.
- (f) If Debtors agree that the Additional Adequate Assurance Request is acceptable, or Debtors and the Utility Company consensually resolve the Additional Adequate Assurance Request before the hearing, the amount in the Utility Blocked Account shall be reduced by the amount corresponding to the two week average ascribed by the Debtors to the services such entity provided to the Debtors prior to the Petition Date.
- (g) The Determination Hearing will be an evidentiary hearing at which the Court will determine whether the Utility Blocked Account and the additional adequate assurance of payment requested by the Utility Company should be modified pursuant to Bankruptcy Code section 366(c)(3)(A).
- 10. Absent further order of this Court, the Utility Companies, including any subsequently added Utility Companies, are prohibited from altering,

refusing, or discontinuing service to or discriminating against the Debtors on account of unpaid prepetition invoices or due to the commencement of these cases, or requiring the Debtors to pay a deposit or other security in connection with the provision of postpetition Utility Services, other than in accordance with the Additional Adequate Assurance Procedures contained herein.

- 12. The Debtors are authorized, in their sole discretion, to amend Exhibit A attached hereto to add or delete any entity, and this Order shall apply to any such entity that is subsequently added to Exhibit A hereto. For Utility Companies that are subsequently

added to Exhibit A, the Debtors shall serve a copy of this Order on such Utility Company, along with an amended Exhibit A, and such subsequently added entities shall have twenty (20) days from service of this Order to make an Additional Adequate Assurance Request. any entity that is removed from Exhibit A, the Debtors shall provide notice of such entity's removal and such entity shall have twenty (20) days from service of the notice to file an objection with the Court and serve such objection on counsel to the Debtors so as to be received by such date. If an objection is not properly filed and served, the entity will be deemed removed from Exhibit A and will not be treated as a Utility Company for purposes of this Order. In the event an objection is properly filed and served, the Court shall schedule a hearing to consider entity's removal and objection thereto. Pending resolution of the objection, the entity shall continue to be treated as a Utility Company for purposes of this Order.

13. In the event that any Utility Company, including a subsequently added Utility Company, files and/or serves an Additional Adequate Assurance Request

after the Additional Adequate Assurance Request Deadline, such request shall be treated as a request under Bankruptcy Code sections 366(b) or 366(c)(3), as applicable, and shall be granted, if at all, only after the Utility Company making such request schedules such request for hearing, on notice, in accordance with the provisions of the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure, including Bankruptcy Code sections 366(b) or 366(c)(3).

- 14. To the extent any entity that is not listed on Exhibit A believes it provides the Debtors with Utility Services within the meaning of Bankruptcy Code section 366, that entity must make a written request to be added to the list within 20 days of the date of this Order. Failure to make a written request within the 20 day time period bars such entity from terminating the services it provides to the Debtors pursuant to section 366 of the Bankruptcy Code.
- 15. Notwithstanding anything to the contrary herein, the Debtors' rights to challenge any claim on any basis filed pursuant to 11 U.S.C. § 503(b)(9), including, without limitation, claims filed by Utility

- 18. Nothing in this Order or the Motion shall be deemed to constitute postpetition assumption or adoption of any agreement under Bankruptcy Code section 365.
- 19. The requirement under Local Bankruptcy Rule 9013-1(G) to file a memorandum of law in connection with the Motion is hereby waived.
